

students should provide 1 or 2 examples from “The Strange Death of Silas Deane” to illustrate their assigned skill

Historical Skills

- Historical argumentation
- Appropriate use of relevant historical evidence
- Historical causation
- Patterns of continuity and change over time
- Periodization
- Comparison
- Contextualization
- Interpretation
- Synthesis

Students’ objectives:

1. Write a definition (in your words) for your skill
2. Draw a picture or diagram of your skill
3. Provide 2 examples from the Silas Deane article
4. Present your findings to class
5. Take notes on all presentations
